Year-in-Review

The president reported that this has been a fabulous year for the Band, Dance Team, Color Guard and Winter Guard. Our numbers grew again this year and our band is the biggest it has ever been. We put on a great field show, the Colors Of Jazz, and received high marks at the marching band and jazz band competitions. Many of our students earned recognition at the Solo and Ensemble competitions, and were selected for the All-County and All-State Bands.

The dance team and color guard performed brilliantly this year at several major events. The Winter Guard went to the National Competition this spring and made it to the semi-finals. **wgi - BRONZE!**

The Diamonds take 3rd in Scholastic Finals!

Thank You's from the President

Karen Fuller recognized the contributions of the Directors, Board, Web Administrator, Committee chairs, and Volunteers this year she encouraged all to "jump in" and volunteer for any of the various events throughout the year. She recognized the surveys and will take all comments and put them to heart for next marching season.
