Karen Fuller, Band Booster President
Bill Muse, Director of Bands
Stephen Porter, Auxiliary Teams
Frank Casillo, Principal

As the LHS Marching Greyhounds prepare for their trip to Washington, D.C. to represent Central Florida in the annual Cherry Blossom Parade, ***we are seeking a PREMIER SPONSOR to help us obtain a new parade banner.*** The banner, estimated to cost \$750, is an important component of our presentation during the trip and represents the pride that we share for our school, our community and performing arts.

Approximately 150 students have worked hard to raise funds throughout the last year for this once-in-a-lifetime opportunity. Aside from being selected to perform in the parade, the students will participate in a wreath laying ceremony at Arlington National Cemetery, and will tour the capital, the National Archives and the Smithsonian.

The band, dance and color guard students have represented the Central Florida community in an exemplary manner both locally and abroad over the years. Recently, our students have participated in:

- 2009 and 2008 wgi (Winter Guard International) world class competition in Dayton, Ohio
- 2009, 2008 and 2007 Walt Disney World Christmas Parades
- 2007 Winter Springs Winter Holiday Parade
- 2008 and 2005 City of Longwood Memorial Services paying tribute to those lost on September 11th
- 2009 and 2008 Little League Opening Day Festivities at Longwood's Candyland Park
- 2007 Chick-fil-A Bowl halftime show in Atlanta, Georgia
- 2006 St. Patrick's Day Parade in New York City
- 2004 Nokia Sugar Bowl in New Orleans, Louisiana

Students have provided community service by volunteering in the American Cancer Society's Relay for Life and in a mini extreme makeover of a Longwood family's home. Our students consistently win superior ratings in regional band, dance, and color guard competitions.

In grateful appreciation for your PREMIER SPONSORSHIP donation of \$750, the LHS Band Booster Association will provide your business with exclusive ad placement for the next year online (front page) on our website, in our spring and winter printed programs, and in our email blasts to our community and alumni mailing lists. In addition, we will provide your business with a thank you plaque and a photo of the band. (Please note that the business can not be mentioned on the banner.)

In order to complete preparations for the April parade, we are seeking to identify a sponsor no later than February 8th, 2010. If you have any questions concerning this opportunity, please contact Michael Kazazis, at 321-948-0535 or via email at admin@lymanband.com.

We thank you for your consideration and generous support. We hope to see you soon at one of our upcoming performances.

Sincerely,

Karen Fuller, Band Booster President
