

***Lyman Band DC Trip  
"Grateful Greyhounds"  
Postcard Project***

**Thanks to the many loving gifts and donations from family, friends, and sponsors, Marching Greyhound Students will be in Washington, D.C. for their 2010 Spring Band Trip!**

**As a special trip project, Trip Chaperones have committed to reminding and encouraging all Students during the trip to use a "last millennium" mode of communication (postcard) to send a note of appreciation to a family member, friend, or sponsor who helped make the trip possible.**

**STUDENTS: Please be prepared to follow through with this project by filling out the bottom of this flyer with a recipient's address, placing the flyer along with a stamp and \$1.00 needed to purchase a D.C. postcard inside a zip-lock baggie, and packing it in your backpack or luggage.**
