

## Lyman High School Marching Greyhounds DC Trip 2010 UPDATE (As of 1-13-10)

### HOTEL LOCATION

The hotel location has changed three (3) times since the trip planning began: The first one was in Virginia by Dulles International Airport, the second in Maryland, and now we're back in Virginia. **Because the tour company continues to negotiate the best rate, the hotel may be subject to change.**

For parents who are going to D.C. on their own, please know that students will spend the minimum amount of time at the hotel; the itinerary is set so that they leave in the morning and don't return until bedtime. Students will have a curfew and are required to remain in their assigned room until the wake-up call. At curfew, doors will be taped up on the exterior by Mr. Muse and a chaperone (easily removed in case of emergency). Any broken tape will warrant a search for any missing student by Mr. Muse, chaperones, and the contracted hotel security. Visiting parents in another room may prompt an infraction of the rule, or a student may "get lost" if the line gets blurred between who has supervision of the child at any given time during the trip (director, chaperone, or parent). Any concerns about this topic may be discussed with Mr. Muse or a board member.

Parents who are traveling separately should consider making hotel reservations as soon as possible because of the large numbers of tourists in D.C. at the spring festival and may want to consider staying closer to the venues rather than waiting to make reservations in the same hotel where students will be staying. At this time, the following hotel is booked for our group:

*Comfort Inn University Center  
11180 Fairfax Boulevard  
Fairfax, VA 22030  
Phone 703-591-5900*
