

WINTER SHOWCASE

December 17th, 2009

Support the Performing Arts At Lyman High School

The Lyman High School Band Booster Association is reaching out to the Central Florida community for assistance with our most important fundraiser of the year, our Winter Showcase and Online / Silent Auction.

There are many ways you can help:

- Donate an item or service from your business that we can use for our auction. We especially love gift certificates for restaurants, stores, spas, services, entertainment....
- Donate your time and expertise, we are looking to auction off mentorship opportunities for our students (e.g., spend an afternoon helping to prepare for an evening newscast).
- Come to our event and set up a table where our families can sample your foods / delicacies (e.g., a restaurant can offer free desserts).
- Donate a service from your business that we can use to help us deliver a quality event (e.g., printing services, lighting, tent rental, other entertainment, etc.).

In return for your donation, we can provide free exposure for you via our printed program, our website (www.lymanband.com), and our e-mail blasts. We'll also provide a thank-you letter to display at your business. The Lyman Marching Greyhound community is very supportive of those who support us....it is a Win-Win for all of us!

Next steps: Contact Michael Kazazis at admin@lymanband.com 407-772-2451 to arrange for your donation and to provide us materials to help promote your business.

Thank You - Go Greyhounds!
