

## Advertising Opportunity Fall 2010

The Lyman High School Band Booster Association presents an outstanding, cost-effective, way to reach out to the local community while showing your support for our Marching Greyhounds!

With over 150,000 hits, our website, combined with our e-mail list of close to 600 subscribers, can provide your business with the reach you desire at an unbelievable cost!

Here's how we make it a no-brainer...for just \$25:

- Your business will receive a business card-sized ad (with a link to your business) on our Links and Sponsors page throughout the entire Marching Band Season!
- You will be featured in our e-mail blasts...currently these go out 2 – 3 times a week. We will feature you a minimum of 3 times and can even change your message.
- We'll feature your business on our Facebook page.
- If needed, we can assist with the creation of a basic ad.

Our Marching Greyhound community is very appreciative of all of our supporters...you're not just an advertiser; you're a part of our family! To start the ball rolling, contact Mike Kazazis at [admin@lymanband.com](mailto:admin@lymanband.com).

Note: If you're thinking about something grander (e.g., "Get me on the front page of the web site!" or "I want to hear my business announced as a supporter while the band is introduced during games!") contact Mike for additional options.

---

Please return this form, along with a \$25 check payable to the Lyman High School Booster Association, to the drop box located in the band room.
