Dear Ms. Rochford,

On behalf of Georgia State Athletics, I would like to extend our sincere appreciation to the Lyman High School Band for their performance at our basketball game. Lyman High School was the first high school band to "sit in" for our pep band during a holiday break. With your performance on Saturday, December 29th, a new tradition of guest band performances has begun.

Your band was a great addition to the atmosphere of the game, as the spirit of your band members was comparable to our most spirited fans. It was a pleasure to have your band members participate in one of our promotional contests during the game. I cannot tell you how many positive responses we received that night. I stopped counting at twenty. We also appreciate the punctuality of your band and its administrators. The band arrived in a timely fashion and behaved in a professional manner throughout the course of the game.

We would love to have the Lyman High School Band back next year.

Sincerely,

Kevin Olivett
Assistant Athletics Director for Marketing
