

## Light Up Lyman January 31<sup>st</sup>, 2008

### Welcome Future Marching Greyhounds!

Tonight is one of our favorite nights of the year...a chance for you to learn all about Lyman High School and our wonderful Band / Dance / Guard programs.

### Putting It Together!

In June, the 215 band, dance, and color guard students began learning the music at the **summer Tuesday evening**

**rehearsals.** Later in August, students attended **Band Camp** where they combined the music with the field choreography. Band camp culminated on a Friday night with a special **premier show and pot-luck dinner.**

**This coming summer, your soon-to-be Marching Greyhound will be able to participate in these great team-building experiences, too!**

We hope you enjoy tonight's activities and we invite you to come back during the year to enjoy even more. Some of the upcoming highlights include:

#### **Band**

- Feb 7 – Jazz Band FBA
- Feb 8-9 – Solo and Ensemble
- Mar 6-8 – Concert Band Assessment
- TBD – Spring Concert

#### **Guard**

### Band, Dance, and Color Guard – One Band!

Mr. William Muse, Lyman's Band Director, for the past eight years, has led the Marching Greyhounds to numerous superior ratings at both the FBA and Seminole County Band Festivals. Mr. Stephen Porter, Director of Dance and Auxiliary Teams for the past seven years, has built the Lyman Diamonds into a Scholastic A Class dance and color guard program. Along with additional instructional personnel underwritten by the Band Boosters and the volunteer services of band, dance, and color guard parents, the Marching Greyhounds work to create "One Band" in sound, look and spirit!

### The Lyman Band Boosters

All band, dance, and color guard parents and guardians are members of the Lyman Band Boosters. Meetings are held monthly and are an important way to keep up with the many fun activities during the year. There will be many volunteer opportunities in which you'll be able to share your talents in support of the band program and to spend time with your soon-to-be high school student.

### Getting Ready!

We invite you to visit the Lyman Band website often and to register for our e-mail newsletters (look for the special sign-up for new students). Be sure to check out the 9,000+ photos and videos for a preview of what your future Greyhound has in store!

**Look for New Student and Band Camp information on the website and in flyers coming home with your student in April '08!**
