

This year I will be participating in a fun and exciting community activity – the American Cancer Society's Relay For Life being held on April 11<sup>th</sup> and 12<sup>th</sup> at Lyman High School. The Relay is a unique way to raise money and awareness for the American Cancer Society. I am participating as a proud team member of the Lyman High School Marching Greyhounds and I am sending you this letter in request of your support for my efforts.

The Relay For Life is an all night walk/run event involving teams that will keep at least one member on the track for a scheduled period of time. The event features:

- An overnight event requiring continuous circling of the Lyman track
- Congratulations and honors for the Longwood community's cancer survivors including a Luminaria Ceremony to honor survivors and those who have died and renew our Hope that a cure will be found
- Cancer control and advocacy activities and information
- Contests, raffles, LOTS of entertainment, food and FUN!

Our team's goal is to raise money for research, educational programs, advocacy and patient services. This year cancer touched several members of the Lyman High School community and this prompted the members of the Marching Greyhounds to take action. By making a check payable to the American Cancer Society and returning it to me, together we can make a difference!

Thank you in advance for your support! If you have any questions, or would like to be part of this exciting event, please contact me ASAP!

Remember, there is no finish line until we find a cure!!!

THANK YOU!
