

## Lyman Diamonds Rum Cake Fundraiser

Lyman Dance Team and ColorGuard:

November 1<sup>st</sup> through December 12<sup>th</sup> the Dance Team and the Color Guard will be selling Rum Cakes. There will be 2 different deadlines and 2 different delivery dates. The first one is November 14<sup>th</sup> with delivery to Lyman on November 20<sup>th</sup> and December 12<sup>th</sup> with a delivery to Lyman on December 18<sup>th</sup>. The students will receive \$4 for each Medium cake they sell and \$5 for each Large cake they sell to be deposited in their personal accounts (The cakes will be \$20 for medium and \$25 for the large).

If you have anyone that would like to have the cakes shipped, they can go online to [www.rumcakeisland.com](http://www.rumcakeisland.com), place their order, click on Lyman Diamonds in the drop down box and in the comment area insert the name of the student to get credit. The price is higher online, but it includes shipping (prices are \$26.95 and \$34.95 online). Rum Cake Island will honor any order placed online until the end of the school year for our fundraiser.

The cakes are delicious and they make great gifts! Possible customers other than family or friends are people who own their business and are looking for something different to give employees or customers this holiday season. If someone orders one for November delivery, they are sure to order another one for December after they taste how great they are!

If you have any questions about the rum cake fundraisers or the cakes please feel free to contact Sherry Schoggins at 407-474-9808. A box will be placed in Mr. Porter's office so they can turn in their orders during class or at practice. There will also be extra order forms in his office if you need additional ones. Good Luck and Thank you for supporting the Lyman Diamonds!
