

The Longwood Relay-for-Life  
American Cancer Society

**April 11th and 12<sup>th</sup>**  
**Lyman High School**

*Support the Band Team!*

Hi Everyone,

The Lyman Marching Greyhounds have often held fundraisers to help make their organization run. But now, the Greyhounds are banding together to give something back...they have formed a team of 25+ volunteers to help raise money for the American Cancer Society. Their goal is to raise at least \$2,000 to help support the fight against cancer.

One thing the band team is doing is collecting old cell phones for recycling. If you have any around, we're asking you to consider donating it to the team. Old cell phones might have a value of up to \$20. If you have one you'd like to donate, simply bring it in.

Finally, if you have any spare change gathering dust in your desk, the band team and ACS would greatly appreciate a small donation....every dollar or two makes a difference. You can simply leave your contribution in this container.

We thank you for your support and encourage you to visit our website at [www.lymanband.com](http://www.lymanband.com) . From there you can find out more about the event and how you can even easily contribute online.
