Band Parent/Student Information

Summer Rehearsals will be held weekly, on **Tuesdays** from **6pm-8pm**, in the Lyman Band Room, beginning on **Tuesday, June 1st**. It is strongly recommended for all incoming freshmen and new students to attend as many as possible throughout summer. This is a great opportunity to get ahead on our music before band camp and keep some level of skill throughout the summer. (See attached calendar for exact dates)

July 19th-July 23rd Percussion and Auxiliary Camp from 8am-5pm.

All percussion students (Including Freshmen) are expected to attend unless prior communication directly with the band director has approved a student absence. This is mandatory to ensure your role in our marching show for the season. This intensive camp is a tremendous opportunity for students to receive technical instruction from our percussion staff while learning the bulk of the show material.

Thursday July 22nd & Friday, July 23rd, 8am – 5pm *New Member Camp. (Incoming woodwind and brass instruments). On these days, all new marching students will learn proper marching technique and the skills needed to participate in the full band camp.

Monday, July 26th – Friday, July 30th, 8am -5pm: All Students attend FULL BAND CAMP. This is when the marching portion of the show is taught on the field during the mornings, from 8am until noon. Students may bring their lunch and remain on campus or leave campus with parent permission. It is recommended to stay on campus. Students need to bring a personal water jug to drink from during water breaks. We will provide means to refill water jugs throughout the morning session. Please dress appropriately for the weather. (Hats, visors, sunglasses, sunscreen, etc.). If a student has a specific dietary or medical need to eat a specific snack during rehearsals, please be sure to **bring that specific snack with you**. There are no snacks or special diet foods available to your student from the school.

Premier Show

Band Camp will conclude with a “Premier Show” on Friday, July 30 at 6pm. A short outdoor performance will be continued indoors to showcase student accomplishments for the week.
